

Visitor information

- **Wear closed toe walking shoes; no heels. You will be touring industrial facilities**
- **Dress for the weather; hard hats will be provided for all visitors to wear while touring**
- **No cell phones, i-pods, pagers, etc. Cell phone service is limited at some field sites**
- **No smoking, eating or drinking while touring**
- **Chaperones are required and will be expected to assist tour guides as needed**
- **You will be separated from your bus/vehicles while touring; restroom stops will be limited**
- **If you are participating in a full day program bring sack lunches and water; all sites are pack-it-in, pack-it-out with few or no garbage cans. Have each student pack their own lunch as storage areas are not always available.**
- **Walking tours of wastewater treatment plants take 1-2 hours, be prepared**
- **Make sure to have any necessary medications, emergency supplies, inhalers, etc. with you**
- **48 hour cancellation notice is requested**
- **King County staff can end a tour early for any reason. Safety is our first priority. Tour groups that arrive unprepared or without the required number of chaperones will be sent back to school.**
- **Enjoy your tour! If you have questions use the contact numbers/emails listed below.**

King County Wastewater Treatment Division Treatment Plant Tours Program provides free water quality tours to youth and adults throughout King County. Tours provide information that helps protect our regional sewer system, our local environment and the health of our communities.
